

SAGD Steam Chamber delineation using Duplex Wave Migration (DWM)*

* Contributors to SAGD Duplex Wave Migration: Statoil Canada Ltd, Eco-Energy Innovations Initiatives, and Computer Modelling Group (CMG). DWM USA Patent owned by TetraSeis Inc.

- ✓ Imaging of reflections from sides of SAGD Steam Chamber
- ✓ Amplitudes represent relative Steam Zone Development
- ✓ Amplitude decay across Steam Zone represent relative absorption effects
- ✓ Boundary distances represent relative SAGD zone velocities and width
